

Less-Than-Truckload

LTL Shipping isn't Complicated with GlobalTranz

GlobalTranz offers consistent capacity with a best-in-class LTL network and innovative technology that makes it easy to shop rates and manage your shipments — all backed by our team of industry experts working to deliver creative solutions.

Around-the-Clock Support

Lean on our dedicated LTL support team — available 24/7/365 — for everything from obtaining low-cost LTL quotes to managing freight transport through delivery.

Best-in-Class Carrier Network

Gain access to our extensive local, regional and national network of 75+ LTL carriers — plus 85,000+ TL carriers — to capitalize on competitive rates while maintaining the highest level of service.

Technology-Driven LTL Solutions

Leverage our TMS or online LTL management system to make shopping rates and managing shipments easy.

Quote | View rates. Just enter zip codes, weight and freight class into the system.

Book | Book your shipment same day. Choose from industry-leading carriers based on cost, transit time and preference.

Manage | Track your shipments online. Eliminate inefficiencies and accelerate safe, on-time delivery.
