

# Reliable Container Drayage Nationwide

**GLOBALTRANZ**<sup>®</sup>  
Authorized Agent

When your valuable cargo has to move between multiple shipping methods, you need dedicated support from the drayage experts at GlobalTranz. As a leading third-party logistics provider, we offer the capacity, customized service and reliability your intermodal shipments require.

## GlobalTranz Drayage Services

### DRAYAGE WITHOUT LIMITS

Get the capacity you need at every port and on every rail across the nation. Our dedicated drayage team will keep your freight on track while you receive unmatched service and support.

### TRANSLOADING ABILITIES

Enhance the way you move your cargo between containers, trucks and rail. With our transloading options, we'll help you increase your shipping flexibility, cut costs and reduce transit times for the best possible outcome.

### TIME-CRITICAL OPTIONS

Sometimes the unexpected happens and capacity gets tight. Whether you need a same-day shipment, or you just want consistent deliveries, our expedited solutions will keep your freight on track and on time when it matters the most.

## Why GlobalTranz Is Your Best Choice

- Simplify your shipments with national drayage capacity from coast to coast
- Enjoy support from your dedicated drayage support team
- Stay in the loop with proactive updates and 24/7 live support
- Save time and reduce stress with a high-level drayage service
- Get the solutions you need with our trusted, nationwide network of vetted carriers

As part of the WWEX Group family of brands, which includes Worldwide Express and Unishippers, we provide the scale, experience and customized shipping solutions for all your logistics needs. Our team of experts is standing by to simplify and streamline your container drayage, from anywhere to everywhere.
